

SlimStar i8050

Facebook Multimedia Keyboard Mouse Combo

Experience the next generation Genius keyboard mouse combo, SlimStar i8050, which includes a deluxe keycap design, a glossy finish. The keycaps are designed with smooth rounded edges that provide comfortable typing experience. Its mirror-like top cover also provides a more elegant fashion style. SlimStar i8050 has twelve functions keys which provide media, Internet and several unique functions. Simultaneously press FN + F12 to instantly access Facebook. Additionally, SlimStar i8050 has three Windows 8 function keys that allow you to switch between applications, close existing application and search the application. Besides, SlimStar i8050 has whisper-quiet keycap designs, which prevent the typing noise and provide silent working environment. SlimStar i8050 has infrared sensor mouse, which has lower power consumption – up to 18 months battery life. Besides, keyboard and mouse will light up to notice the user when battery level is low.
